

Cologne, 15/03/2024

The EU CORSIA Africa and Caribbean project team is very pleased to ask you to SAVE THE DATE for the following event:

**Regional Workshop on  
CORSIA in 2024: what's next?  
Opportunities, challenges and actions for the State Authorities, Airplane Operators, the  
National Accreditation Bodies and the Verification Bodies.**

May 14th- 15th- 16th 2024  
Addis Ababa, Ethiopia

- **OBJECTIVES of the WORKSHOP**

DAY 1: Aimed at presenting the novelties for all CORSIA-affected parties with a special focus on new AO templates and standards for NAB and VB. Experience from KENAS and ongoing work with SOAC.

DAY 2: Aimed at presenting Offsetting part and CORSIA-eligible emissions units.

DAY 3: AeDMS. Presentation of a real AeDMS under full production

- **TARGET GROUP**

Senior officers from Civil Aviation Authority/Department of Civil Aviation working with CORSIA, representative of Ministry of Transport and/ or Environment directly involved in the CORSIA implementation, CORSIA focal point in Airline Operators, CORSIA Assessors in the NBA, NAB representatives working with certification/validation/verification, potential candidate VB to be nominated by the NAB and all the significant counterparts involved in the CORSIA implementation in your country.

- **TIMEFRAME**

3 days, from 9am to 4pm (TBC)

- **LANGUAGE**

The conferences will be held in English; interpretation service will be provided in French.

- **COSTS**

Whilst the participation to the online event is unlimited, the participation in presence will be determined upon evaluation of the registered persons and confirmed during the registration period.

After evaluation of the registrations, the project is very glad to be able to fund full costs as described here to 2 up to 5 representatives per country, as deemed necessary, among which:

- representatives of the State Authority (CORSIA focal point and/or Min. of Transportation)
- representatives of National accreditation bodies, Verification bodies or candidates to such (if any)
- Institutional representatives relevant for the CORSIA programme implementation

*This project is financed by the European Union and implemented by EASA*

<https://www.eu-corsia-af-c.org/>

- representative for Airline Operators/ other industry significant under the scope of the CORSIA programme

Confirmation of funding/ not funding will be sent before registration closure, allowing decision to nevertheless participate in presence if so desired, on own costs or online.

Costs covered:

Lunches and coffee breaks during the workshop for all registered and accepted participants in presence. Additionally for those participants travelling and confirmed by the project to be funded, travel and full board accommodation will be arranged and prepaid by the project. If visa is required for the travel policy of the countries involved, costs will be refunded to the traveller.

No other costs will be paid by the project.

It is the responsibility of the participants to make their own decisions about the accuracy, currency, reliability, and correctness of the information provided at the time of registration and to make sure to be compliant with the restrictions applicable at the time of participation to the event in the hosting country and required to travel to and from the hosting country. The organiser accepts no liability for any penalty or cost deriving by the noncompliance of those rules.

The organiser strongly suggests ensuring that those contingencies are covered with a travel insurance at the time of the workshop.

- **WORKSHOP AGENDA, COORDINATION AND LOGISTIC ARRANGEMENTS**

An initial draft agenda is provided with this announcement outlining only the main topics for the days of the workshop.

The final agenda will be provided at a later stage.

- **HOW TO REGISTER**

Participation is either online or in presence, please choose while registering your selection.
